regional information

A diverse cool climate region incorporating several different sub regions, this beautiful area consistently produces generous wines with true varietal character.

vintage information

variety	Sauvignon Blanc
vintage	2024
region	Limestone Coast, South Australia
cellaring	Drink while young and fresh. Serve chilled.
harvest date	February-March 2024
vintage conditions	The growing season was cooler than average resulting in smaller berries and more intense flavour development. High winds across much of South Australia from late November to mid December affected flowering, further reducing yields. Whilst the overall intake was down, for a 3rd year in a row, the fruit achieved optimum Baume ripeness producing high quality, and many exceptional wines.
analysis	pH: 3.28 TA: 6.2 Alc: 11.5%
treatment	Machine picked and cool fermented.
